

February 2012 News

Happy Birthday/Anniversary

Some of our members celebrate "milestones" in recovery this period, and we would like to share their blessing. Don B (40 years), Frank R (21years), and Peggy M (3years) all expressed their gratitude by donating \$1 per year to help others in their recovery.

We also wish to thank the following groups for continuing to "carry the message" over the years as they celebrate the anniversaries of their starting dates: South Lake Tahoe Tue. night (22yrs), Lincoln, NE (20yrs), and the "Missing Peace" group in Ventura, CA (17yrs). These groups contribute a 7th Tradition donation to help support the Central Office.

If you or your group would like to participate, or if you would like to see more participants, please visit our website for more information

Mark the Dates

4th Annual Campout

Once again we are set to camp August 3rd through the 5th at Morro Bay State Park, CA. The last 3 years we have been grown and this year promises to be even bigger. \$25 per camper for camping 2 nights and Saturday dinner (\$10 for children under 16). Space is limited, and we fill up every time so far, so register early. Contact the Central Office or visit the website "Events" page for more information or to register, or ...

Updates to FREED Booklet

We have added an "Appendix" to the last pages of the "FREED" meeting guide booklet (English version). The appendix includes several new topics with scriptures, and additional new scriptures for some of the existing topics. The verses were submitted by several members nationwide, and are offered to share insights between groups. The new books will be available the second week of February. We also will furnish copies of the appendix pages (on request) that can be inserted into the books already in use.

Contact the Central Office for more information.
